

# Storage solutions to suit your business -

## Rapid Design Service

- Experienced shelving & racking experts will discuss your storage needs and recommend a solution to optimise your space.
- We will provide a detailed quote to support a CAD drawing, showing how your solution will look. If a site visit is needed to assess your requirements, we'll do that too.
- We will arrange for our experienced teams to work with you for a quick and efficient installation, with minimum impact on your business.

Call **01285 686868** to speak to the Design Team, or email [Design@rapidracking.com](mailto:Design@rapidracking.com).

For further information, turn to the Design Service section on page 200
