

Multipurpose Shelving

These shelves feature strong rivet connectors and a 'split upright post' which means you can either choose to build as a 5 level bay of shelving or split it into 2 smaller bays or benches.

- Each shelf can take up to 300kg
- No nuts and bolts to worry about
- Black powder coated finish

5 Shelf Bay Configuration

Finish	H (mm)	W (mm)	D (mm)	Code	Price each £
Black	1830	1220	457	CR1	109 3+
Self adhesive ticket holder					
Pack of 10	54	100		LB54100/10	12
