Move-a-Side Shelving

Provides volume storage in areas with limited space. Create space saving mobile shelving using our Move-a-Side base system

- Simple and effective way to nearly double your storage capacity
- System allows for a row of fixed shelving with mobile bays directly in front of them
- The front mobile shelving bays run smoothly on easy glide tracks to 'Move-a-side' for easy access
- Plinth for static bays optional - saving even more

Easy glide tracks

2 static bays and 1 mobile bay

3 static bays and 2 mobile bays

4 static bays and 3 mobile bays

5 static bays and 4 mobile bays

Your existing shelving can be re-configured and converted to Move-a-side or we can install a completely new system. Call for a quote
