

Frames from **£42**

**NEW**

**740**  
MAX KG PER SHELF

This Bay from just **£142**

## Euro Span

*This new range offers amazing value for lighter loads*

*For a corrosion resistant, durable finish, the chipboard can be replaced with strong steel galvanized panels that offer a life time of use.*

- Each level can take up to 740kg
- Quick and easy to assemble
- Hard wearing powder coated finish
- Order as separate end frames and levels
- Levels height adjust every 62.5mm
- No bottom beam required - allowing palletised storage at ground level only
- Ready assembled welded frames
- See pages 54-57 for Pallet Racking
- Large choice of extra heights, widths, depths and colours available - call for details
