

Discount available on Pallet Racking orders over £1000*

*Excludes delivery & installation

Note: Must be installed on suitable concrete floor, not tarmac

Rapid Pallet Racking

Galvanized Pallet Racking

Why galvanized?

Galvanized steel has gone through a zinc coating chemical process to reduce the rate of corrosion. Galvanized shelving is the obvious choice for outdoor storage.

FRAMES - Are fully assembled and supplied with shims and floor fixing bolts. Two frames required for an initial bay and one frame for each extension bay

H (mm)	W (mm)	D (mm)	Capacity Kg	Code	Price £
3000	-	900	9000kg	GNF3009	85
