Garment Rack
Assembly instruction
ASSEMBLY

1. Fit feet F to uprights A.
2. Assemble both ends first - A and B. Starting from the bottom insert the first side beam B in the first two holes. Insert the second beam B leaving 26 clear holes from the first beam. Insert the top beam at the top of the upright A. Tap together with a rubber mallet.
3. Add the front and rear beam C to the bottom level and place the chipboard shelf E on to the beams.
4. Insert 2 front and rear garment rails D at the top of the uprights A.
5. Insert the remaining front and rear garment rails at the desired height. (2 of for 1980 mm H, 4 of for 3048 mm H)

If you have any problems with this product or its assembly, please contact your local distributor or call our helpline on 01285 686868 where a team of experts will be pleased to help.
