Chrome wine rack
Assembly instruction
**COMPONENTS**

Tools required:
- Rubber mallet
- 1270mm Chrome upright – 4 of
- 915mm x 355mm shelves – 7 of
- Black Plastic Shelf Clips – 56 of

**ASSEMBLY**

1. Take a chrome upright A and 2 shelf clips C. Locate the shelf clips in the bottom ring of the upright. Ensure the clips are firmly located in the upright ring and the clip is tapering upwards (thin end at the top).

2. Repeat 1 for all 4 uprights.

3. Place a shelf B over the uprights ensuring the shelf fits over the clips. Tap the shelf with a mallet to tighten on the clips.

4. Take 2 shelf clips C and place on an upright to show 6 clear rings between the bottom of the clips and the top of the bottom shelf.

5. Repeat for the other 3 uprights.

6. Repeat 3.

7. Repeat for the remaining shelves but note that the space between the top shelf and the shelf below is only 5 rings on the upright.

8. Load the unit with the bottom, sit back and enjoy your wine.
