Rapid1
Heavy duty shelving
Assembly instruction
Tools required: Rubber mallet

We advise the use of protective gloves and goggles, or eyeglasses when assembling this product.

IMPORTANT - ASSEMBLY INSTRUCTIONS

1. Fit plastic feet F to uprights A.
2. Assemble both ends first - A and B starting from the top. For optimum clear entry allow 14 clear holes between top shelf and 2nd shelf, 14 clear between 2nd and 3rd shelf, this will leave 15 clear holes between 3rd and bottom shelf.
3. Tap together using rubber mallet.
4. Join both ends using front and rear beams C.
5. Add shelf supports D.
6. Add shelves E.
7. Fit plastic caps to uprights G.

For bays of extra height and levels follow the above procedure, assembling both ends A & B to give the best clear entry for your application.

If you have any problems whatsoever please call 01285 686868 where a team of experts will be pleased to help.
**RAPID 1 HEAVY DUTY SHELVING**
